Guide for Authors

The journal invites interested researchers in the field to submit their unpublished articles within any one of the areas of interest. Manuscripts of papers intended for publication should be prepared according to the instruction and submitted through the electronic Journal system by understanding that they have not been published, submitted or accepted for publication elsewhere. The manuscript should be written in English language. Every manuscript considered for publication is passed to referees for peer review, and then it is subject to final approval by the Editorial Board. The submitted manuscripts must be in their final form, essential changes at the proof stage will be considered only exceptionally. The Editors cannot be held responsible for possible loss of the manuscript. Therefore the authors should keep a copy of all submitted files. Author(s) are also asked to provide all accompanying files, according to the guidelines in preparation manuscript below.

Authors are required register as an Author to submit their articles by electronic submission via the journal website **www.jslte.iaushiraz.ac.ir**. Each submission must be accompanied by a Title Page in which authors provide their full information including the title of the article and authors' full names, affiliations and email addresses. Articles need to be mainly original research including Title, Abstract, Introduction, Literature Review, Methods, Results, Discussion, Conclusion, and References.

The length should be between 6000 to 8000 words (including tables, figures, references, and appendices) using Microsoft Word, font 12, Times New Roman, single-spaced. The format of the articles should be in line with the most recent version of APA style.
