## Conflict of Interest

Conflict of Interest Disclosure Form (CIDF) allows all authors of an article to declare that they adhered to the general principles of publication ethics and thus avoided plagiarism, misconduct, data fabrication and falsification, and duplicate submission/publication concerning the manuscript submitted to this journal for publication. In addition, they should declare whether they have any financial interests in submitting and publishing their article and/or have received any funding for the conduct of the study and/or preparation of the manuscript. The corresponding author, on behalf of all other authors, completes, signs, and submits this form and certifies that all the information provided is correct. By signing this form, the authors acknowledge that all rights to use a part or all of the materials used in their manuscript, such as text excerpts, tables, figures, etc., are reserved for the Journal.

Manuscript title:			
Corresponding author:		Date:	Signature:

Authors are required to use the following format and send their papers in two separate files:

-A *cover page*

-*paper without the name(s) of author(s) and any information.*

1. A **cover page** should include the following items:

1.1 **Title:** Title should be concise and informative.

1.2 **Author name(s) and their affiliations.** author(s) affiliation(s) should be presented below the name(s): *Department, University, City, Country.*

Provide the full postal address of each affiliation(s).

1.3 **Email** of corresponding author.

2. The **paper without the name(s) of author(s)** and any information (articles should be between 5000-7000 words)

2.1 **Title:** Titles should be concise and informative.

2.2 **Highlights:** Provide minimum of 2 and maximum of 5 highlights and each in separate line.

2.3 **Abstract:** It should not exceed 200 words.

2.4. **Keywords:** Provide a maximum of 6 keywords.

2.5. **JEL Classification Codes:** Please provide up to 6 JEL codes. The codes may be accessed at: [www.aeaweb.org/journal/elclasjn.html](http://www.aeaweb.org/journal/elclasjn.html)

### 2.6 **Introduction**

In this section, the *research problem* should be discussed concisely and precisely. The *phenomenon under study and its importance*, what we know (the brief literature) and do not know about it (the research gap), and how we know (your solution), and finally what we probably learn after conducting this study (the contributions and new insights), should be introduced. In last paragraph, *the plan of paper* should be introduced.

2.7 **The main part of the paper** (including theoretical background/ methodology/ model specification/ modeling approach/ framework of analysis/ empirical results, or...)

### 2.8 **Discussion**

### 2.9 **Concluding Remarks**

Read guidelines thoroughly. Papers should follow submission guidelines of our journal.

Papers should be submitted electronically to <http://www.jep.sbu.ac.ir>

Manuscript has been 'spell checked' and 'grammar checked'

All references mentioned in the Reference List are cited in the text, and vice versa

Upon receipt of the paper, a confirmation e-mail will be sent electronically.

- 1- All manuscripts should be submitted in **Microsoft Word 2007** (or upper) format with 1 line spacing.
  - 2- Please use **12- point Times New Roman** or Similar font. Margins should be **3-centimeters on the top, bottom, and sides.**
  - 3- All papers must include an **abstract (150-250 words)** with **Keywords (about five words)** and **JEL Classification.**
- Fully reference** all prior work on the same subject and compare your paper to that work.
- 4- Formulas if any should be typed in **Microsoft Equation 3.0.**
  - 5- **APA standard** should be used for the **References format.**

**Some examples for References format (APA Standard):**

### **1) Articles:**
